We Appreciate YOU!!

We simply can't say it enough... As part of our team, what you do, day-in and day-out, please accept our sincere *Thanks!* Whether your position is a security officer, an emergency medical technician, a contracted administrative team member, you are the frontline professional that represents our clients and Security America. Your value is immeasurable.

We could not workout the geographic distances this year between all of our sites across the many states that we service. Therefore, we present to each of you a "truly unique" Security America t-shirt and a dinner gift card. We hope you enjoy both!!

Our Best, Bill, Chris, and the Office Staff.

Security America appreciates your performance and dedication throughout the year. In lieu of our annual picnic this year, please accept this shirt and gift card representing our thanks to you.

Jackie R. Buckalew 1932 – 2016

All of us at Security America will miss our friend and our mentor Jack Buckalew. He had a wonderful career and family life. Mr. Buckalew served his country in the Navy during the Korean War, his city as Chief of the Charleston Police Dept., and his state as a member and Superintendent of the West Virginia State Police, as well as a State Senator. Jack was a member of the SACS consulting team for us in the late 1990's, and remained in touch and we asked for his guidance. He was the essence of true professionalism. I first befriended Col. Buckalew when he was the Commander of the WV State Police Academy when I worked as the WV Dept. of Corrections assistant training director at the academy in 1977. We remained friends and professional associates over the years. Jack was of the utmost integrity and carried that with him in all that he did. He has joined his wonderful wife, Eula, in heaven. Our heart and prayers go out to Jack's family and love ones from all of us in the Security America family.

Congratulations!
